WHAT PART OF SUSTAINABILITY WILL YOU CONTRIBUTE TO ON OUR CAMPUS? LOOK TO THE UNITED NATIONS SDG'S FOR INSPIRATION!

WELCOME BACK SGAT!

Although we are doing things differently due to the pandemic, there are still ways that you can participate in sustainability on our campus. And no matter where you are, there are actions you can take on a daily basis to contribute to a more sustainable world.

1.) Reduce your waste by carrying a reusable water bottle. Fill your bottle at home or use our water refill stations on campus!

2.) Stay educated: Read the news and current events. -One suggestion: Attend the Conversation of Understanding on "Racism, COVID-19 and the SIU System" on January 26 from 5 to 7 p.m.

3.) Get involved: Check out our programs at the SIU Sustainability website!

Move sustainability forward at SIU with

The Green Fund Grant Program

4.) You can also think about next year NOW. Do you have an idea for a sustainability project big or small? The Green Fund Grant Program is a resource for students, staff and faculty to implement an idea, project or improvement in your area of campus. This means that you can get your idea funded! A wide range of projects have been funded in the past, and addressing various aspects of sustainability.

Check out our Green Fund Showcase to see the impact and diversity of Green Fund projects.
