A WEEKLY EMAIL NEWSLETTER FOCUSED ON SUSTAINABILITY

## LISTENING & LEARNING TOUR

With Chancellor Austin Lane

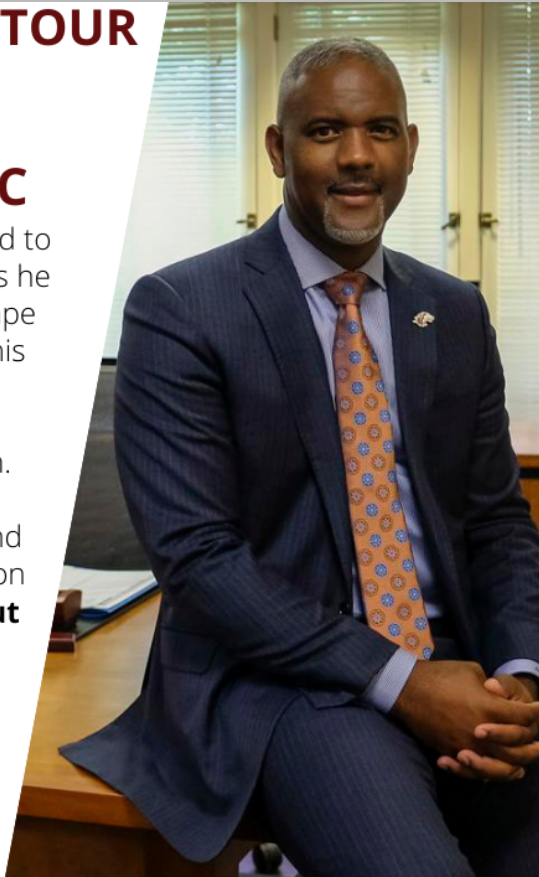

Topic:

### SUSTAINABILITY AT SIUC

Students, alumni, faculty, and staff are invited to share their thoughts with Chancellor Lane as he undertakes a listening tour that will help shape the university's strategic plan. The topic of this stop will be sustainability on campus. Your feedback will help determine the role of sustainability in SIUC's 10-year strategic plan.

The purpose of the Chancellor's Listening and Learning Tour is to hear from stakeholders on two key questions: **What do you love about SIU Carbondale? What can we do to improve?**

This event will be hosted on Zoom, please email [siusense@gmail.com](mailto:siusense@gmail.com) for the Zoom link. Individuals with disabilities are welcomed. Call 618-453-5738 to request accommodations.

**MARCH 25, 5-6PM**

### *Hello SGATs,*

Written by: Nick Erwin, Sustainability GA

Please join us on Thursday, March 25 from 5 to 6 p.m. for a Listening and Learning Tour virtual discussion with Chancellor Austin Lane.

The registered student organization SENSE (Students Embracing Nature, Sustainability, and Environmentalism) has organized this event and would like to invite the rest of our campus community to join the chancellor and Sustainability Office in a conversation about sustainability at SIU Carbondale.

If you would like to attend, please email [siusense@gmail.com](mailto:siusense@gmail.com) or [sustainability@siu.edu](mailto:sustainability@siu.edu) to obtain the Zoom link. This discussion is open to students, faculty, staff and alumni.
