## SALUKI GREEN ACTION TEAM

A WEEKLY EMAIL NEWSLETTER

NOVEMBER 2020 · ISSUE 11

## Hello Salukis,

We need your help! Now that the Sustainability Office has completed the Bicycle Friendly University application renewal, the League of American Bicyclists would like to hear what you all have to say about the current bicycle programs, facilities, and amenities on our campus. We'll receive this feedback anonymously later to help identify areas of growth.

If you think of any other bicycle advocates, please send this survey to them as well!

The survey will close on Monday, Nov. 30.

THANKS SO MUCH FOR YOUR ASSISTANCE WITH EARNING THIS RECOGNITION. WE TRULY APPRECIATE YOU TAKING THE TIME TO DO THIS. YOUR ASSISTANCE IS INVALUABLE IN HELPING US EARN THIS IMPORTANT RECOGNITION.
