

SIUC Sustainability Council Staff Member Application

Please complete the following application and send to greenfund@siu.edu with “Sustainability Council Application” in the subject-line.

This application is for a two-year term beginning July 1.

In addition to administering the Green Fund, the Council monitors and promotes the advancement of sustainability on the SIUC campus and provides advice and recommendations related to environmental sustainability. The Council gives all advice to the Chancellor, through the Assistant Vice Chancellor for Auxiliary Services, and works constantly with our Campus Sustainability Coordinator. More information can be found at:
