

SIU Sustainability Council Project
Final Report

Project title: ADA EZ Door Openers
Project I.D. #:
Award date:
Completion date:
Funds used (if different from award amount):

Brief write up of project/project experience (not to exceed 250 words):
Added two wireless automatic bathroom door openers to men's and women's bathrooms at recreation center

Best things learned/produced from project:
Door openers are battery operated and charges by patrons opening and closing the units

How do you define sustainability?
Using a resource so that the resource is not depleted or permanently damaged

Has this changed over the course of your project? If so, how?
No

What do you see as the next step for the project?
Add more in our facility

Optional: Do you have any suggestions for the SIU Sustainability Council to improve the Green Fund award process?
More advertising and actual student applying for projects

Attach a minimum of five images – these will be used to promote interest in Sustainability Council projects. These can be photographs of the progress of the project, the completed project, or promotional materials.
